About the The Cloud Eleven-Gavilan North LLC Carolina International CIC and Horse Trial

The fourth annual Cloud Eleven-Gavilan North LLC Carolina International CIC will host international and national levels of competition at the CIC1*-3* and Training-Advanced levels. Many of the top eventing combinations from throughout North America will flock to The Park March 22-26, 2017 to contest one of the most important competitions of the spring season.

The Carolina International will provide a supreme opportunity for top horse and rider combinations to test their skill over world-renown course designer Ian Stark's thoughtful tracks. In addition to hosting world-class competition, the weekend will provide a family friendly environment to be enjoyed by all.

For those that cannot attend the 2017 Carolina International EQSportsNet will host a free online stream of the feature divisions. As the host broadcaster EQSportsNet will have wall-to-wall coverage of all three phases of CIC3* competition and the show jumping and cross country phases of the CIC2*.

Eventing (as it is known in the horse world) originated as a way to keep Calvary officers and their horses fit for duty by providing the ultimate test of "war horse" and "warrior". An Olympic sport since 1912, eventing's diversity and intensity are unparalleled in equestrian sports and it is often called the most exciting of equestrian competitions.
