Dear CIC competitors for the Carolina International;

The USEA recently informed us that there was a \$5 increase to the FEI fees for the 2017 competition season. This change went into effect on December 1, 2016. However, the new fee [of \$25] was not reflected in the USEA 2017 CIC entry form. These forms have now been corrected online for the remainder of the season.

As the secretary for the Carolina International, I am required to collect the additional \$5 per entry to those who entered a CIC division prior to February 25th. You do not need to send me the \$5/per entry now; but the fee will need to be collected prior to picking up your packet at the competition. In the meantime, if you see an "incomplete" or "pending; awaiting funds" on the emails or entry status list, please disregard (unless you owe me something else). I have your entry and it will not affect your status to compete at the Carolina International.

We apologize for the inconvenience this may cause. If you have any questions or concerns please do not hesitate to contact me. I look forward to seeing you all soon!

Sharyn Antico

Secretary, Carolina International
